DIRECTOR RESIGNATION

June 22, 2016

Cumberland Cove Board and Owners,

Effective immediately I must resign from my duties as a Director on the Board of the Cumberland Cove POA. This is not a resignation that I expected or wanted, but life happens and my career is taking me in a new direction. I have accepted a new position that will have me traveling away from Tennessee and will not allow me to fulfill the duties of a Director.

In my short time as a Director I tried my honest best to represent the best interest of all owners and the Cove. Recently, I have seen a rejuvenation in the camaraderie and the coming together of the community. I hope and pray that this continues into the future and that all animosity can eventually be put aside. Hopefully, Boards moving forward will continue to work together with openness and a willingness to listen to all ideas from the community. I look forward to the day that I am no longer one of the Cove working class and can retire happily to our little slice of heaven in the woods. When that day comes, I look forward to once again being able to add a helping hand as so many do for the betterment of our community.

It has been my pleasure serving you,

David Perez

BOX TOPS FOR EDUCATION

Since this program started in 1996, and through 2011, schools have earned over \$200,000,000. Individual schools can earn up to \$60,000. Anyone who would like to help me collect the box tops can leave them at the Welcome Center.
