

Presidents Report - May

Last month Al, Fred, Dawn and I met with William Birdwell our attorney for the POA to discuss a number of items. some of those items discussed were the usage of the parks and trails, Tennis court property sale, Liens, foreclosures, and the Fire Station property. He is also researching what kind of action we can take as a Board concerning the wild hogs in the community.

Mowing of the entrances, parks and the Welcome Center started back last month.

Also you may notice our new name tags. I had a resident at the last meeting who told me you are the only one I know on the Board. So now any one new to the Cove and our Board meetings will know who we are.

Thank you to the Fire Wise committee that worked at the Maintenance Building this past weekend.

And just a reminder if you see anything suspicious contact the Sheriff for your county then security.
