

PARK BENCH LOCATIONS

PARK NAME	TRAIL COLOR	BENCH LOCATION DESCRIPTION	LOCATION NUMBER
Stillhouse	Green	Just inside the entrance at Stillhouse Trail.	1
	Green (adjacent)	About 100 yards into the trail going clockwise from the entrance is the still site. View of a drip into the head of a small creek with rock overhang.	2
	Green	Overlook of Bridge Creek Falls and Devils Creek Falls. Eastern views look down into the valley where Bridge Creek and Devils Creek come together. Seasonal views of the falls. Picnic table nearby. (2 benches)	3a 3b
	Green	At overlook looking west with views of valley. Picnic table nearby. (2 benches)	4a 4b
	Yellow	Views looking to the south down Bridge Creek over a steep bluff. Seasonal views.	5
Overlook		Entrance of park near the picnic table in large clearing.	6
	Red	Devils Creek Overlook is a large flat rock with chain link fence as protection from the steep but not too tall cliffs. Views to the west down the valley.	7
		At overlook looking west towards Sparta down a long valley. Sunset views from the open park area. (2 benches)	8a 8b
	White	View of Bridge Creek Falls from the upper trail. Has views overlooking the valley and Stillhouse Rock.	9
	White	View of Bridge Creek Falls from the lower area. Has views of Bridge Creek Falls, Stillhouse Rock and the valley.	10
	Green	Area near new Devils Creek Bridge. Has a creek view with flat rock bottom and an open but canopied section. This area has the potential to flood during heavy rains but the bench would be secured.	11
	White at upper end of Black trail	Replacing bench at Bridge Creek Overlook and Bridge Creek Trails. Great place to catch your breath after coming up from the falls. Nice shady area.	12

PARK BENCH LOCATIONS

PARK NAME	TRAIL COLOR	BENCH LOCATION DESCRIPTION	LOCATION NUMBER
Eagle Flight	Black	Main overlook area will have a southeastern view and the other a western view. Both overlooking the valley at the main open flat rock area. (2 benches)	13a 13b
	Black	Smaller overlook area will have a southern view and western view over the valley. (2 benches)	14a 14b
	Yellow	Top of Big Misery Trail set among the large boulders. Great place to rest your feet if coming back up from the valley.	15
	Blue	The entrance to Fork Mountain Cave is the longest site to reach but overlooks the cave entrance in a relatively open area.	16
	Black	By the main entrance sign near Maintenance Building. Good place to rest after the hike or lace your boots for the days adventure.	17
Icy Cove	Green	By entrance at parking area at the trailhead. Wooded view and place to sit and rest.	18
	Black	Icy Grotto Overlook looking over an area with a small pool fed by a rivulet. Nice view and a very short walk to reach.	19
	Black	Icy Grotto (lower) has views of the pool and overhanging rock bluff. A beautiful area with a short walk to get there.	20
	Red	Icy Cove Overlook is at the end of the trail with one view of Icy Cove and another of England Cove. Benches would be very close to the new picnic table set in a clearing just up the trail. (2 benches)	21a 21b
	Green	'Rest Rock' is a large flat rock generally used to sit and rest after coming up from the valley with a wooded view looking down and close to a creek.	22
