

Some Important Phone Numbers For Residents

City Water is fully available – Catoosa Water in Crossville is the provider; telephone number 931-277-5126.

DSL is available through Frontier Communications; however, the farther that your property is from the highway or the DSL box (sorry, don't know what it is called) the slower the speed is. Telephone number is 800-921-8101.

Natural gas is available in about 2/3 of the Cove. They seem to be installing the gas line as the residents request it. The provider is Middle Tennessee Natural Gas in Crossville; telephone number 931-484-2067.

Volunteer Energy Cooperative is the provider for the electric service; telephone number 800-431-7908.
